### February Meeting

Date: TBA

Program: Encouragement to Join Teaching Profession for High School Students

Dear Alpha Iota Members of DKG:

As we speak, I am just returning from two Virtual Days of teaching. It actually feels good to be back in my JH 11 Classroom!! The next meeting will be on Thursday at 5:00 p.m. in Cynthia Snider's room. It is earlier than normal because that seems to work better for many people.

We are in for a real treat. Kim Leatherwood is going to do her program – "Home Grown". It would be a great meeting to bring a guest or invite someone to attend. We will have a short business meeting to discuss our Spring meetings.

I look forward to seeing everyone.

Once a month, grind about a dozen ice cubes in your garbage disposal. The ice will sharpen the blades and eliminates any grease trapped in the drain.

When making cookies, replace butter with avocado. It tastes no different and makes the cookies surprisingly healthy for you
