Top takeaways from the Tebow Herrington Leadership Seminar:

- 🌹 How Delta Kappa Gamma provides key women teachers with leadership skills for personal and professional growth.
 - Scholarships for master's and doctoral degrees
 - Financial help for professional growth opportunities
 - Opportunities to present/speak at professional programs in chapters, other states, and internationally
 - Promotion of the Arts

- 🌹 Why your 5 most important leadership strengths can be used for increasing your leadership capacity.

- 🌹 Why Employee Wellness, Boundaries and Burnout, Leadership, and Mindfulness, promote resilience, offer support for organizational well-being for you, your school and in the school's community.

- 🌹 How Visual Exploration shows the power of images and objects to enable effective dialogue about any given problem, conflict or complex issue.
